

He has written a letter.

They knew it.

She was reading a book.

They did not sing a song.

He teaches us English.

He has given me his book.

They had sent a message.

I kept him waiting.

What do you want?

Open the door.

They elected him minister.

He will invite her to the party.

She will not beat the dog.

Smith buys two books every month.

Who teaches you English?

This pot contains ink.

She has read the book.

They are making the arrangements.

He will have finished the work.

They have broken the chair.

He is telling a story.

Someone cheated John.

All love him.

The servant will polish the shoes.

Do you know her brother?

Your performance surprised her.

I can win this race.

They have gathered all the things.

He plays football well.

She was reading a novel.

Please tell him about it.

Have they seen the Taj Mahal?

Where did you keep that thing?

His behavior vexes me.
